 - Times of India, DNA, Mumbai Mirror, Indian Express, Loksatta and Lokmat has covered AAWC on its various activities
 - All the 3 rooms of AAWC got renovated with 3 new Computers for girls installed
 - Our organization is successful in collaborating with prestigious Breach Candy Hospital for specialized medical assistance for our girls
 - 1 of our foreign student volunteer have made small documentary on our organization. It's up on the YouTube.

CHALLENGES

Along with our achievements, also facing some severe challenges which are as follows:

- Majority of mother's attitude towards their daughters are totally non-coherent hence it affects adversely on girls especially new comers. They are very irregular in attendance or absent or late comers in the class, which directly affects on their interest in studies and skills learning. Their mothers don't co-operate at all to improve on this. Hence it affects on their long term goals. (To deal with this we are trying to provide continuous counseling through our outreach workers).
- Progress of NGO suffers due to frequent change of staff.
- Getting professionally qualified and trained staff to work with this community is very-very hard. Hence present staff is always loaded with work more than their capacity.
- Lack of affordable resources to work with children having Mental Disabilities or Disorders.
- There was a theft during Diwali vacations at the center in which a Telephone with coin box and 16 Teddy Bear toys got stolen. All the glasses of door and windows were broken and Condoms meant for Social Marketing were scattered everywhere from our rooms till washroom to use it as Balloons. Police complaint was lodged. Later on after investigation it was found that children of another NGO on the same floor have done it.

ACHIEVEMENTS

- In all other standards from 1st to 9th, all the girls passed with remarkable improved results
- 4 girls passed 10th std exam. 1 girl got 74% marks and 3 of them got 56 & 57 % marks. Taken science and commerce in junior college level.
- A good rapport with older girls has developed into a bonding with our organisation. They are consistent in attendance. Hence it shows in their performance in each activity
- This year also all our girls not only just improved on their grades but also most of them have secured RANKS in their classes.(Except 1 girl who failed due to having Learning Disability and is undergoing the treatment for it).
- 1 of our girl got married. 2 girls who married earlier delivered baby boy and a girl.
- Job assistance provided to following girls:
 - 1 girl referred for the job at Magic Bus and got selected as 'Training Instructor'.
 - 1 girl got the job in Origami Financial Consultants as an assistant. She is in her B. Com final year and interested in doing C A later on.

- 1 girl successfully completed Balwadi teacher training course from Muktangan. She will be absorbed as Balwadi Teacher at our organization from June month.
- 1 girl selected as an assistant with a Social Issues film making unit.
- 1 girl after completing Photoshop training is absorbed in the job at the same institute.
- 2 girls who got selected last year for 5 star hotel management apprentice 2 years training are doing extremely well. One of them got 'Star of the Month Award' for March month for the best performance.
